A largely signed petition ~~from~~ from the Residents of Karehalli and other 12 villages has been presented. It is complained that Marikumbar Pujaris are madigas and as long as they conduct worship in the temple, high caste devotees do not visit the institution. The petitioners pray that under Sec. 36 of the Muzrai Regn these pujaris may be removed from their office, and they are prepared to pay any suitable compensation which may be fixed for payment to them in lieu of their petition and that pending the disposal, these pujaris may not be permitted to conduct worship to Nissana Ammana.

The petition is duly stamped. If it is considered as an application for the review of the previous order of Govt, it is barred by limitation.

The order of Govt: deciding in favour of the Municipal Rajahs

It is very doubtful if S.36 of the Mun. Regn: contemplates application by a case of this kind, where the objection is by a class and not by an individual.

Even then a clear 3/4 of the electors should object and it is by no means certain that the present application is backed by such a large majority.

The petition may if approved be forwarded with Sr. Comm: for an early report.

The Sec. Council is of opinion that it would be highly inexpedient to replace the present Rajahs Sdg. on account of their inferiority of position in the Social Scale. It appears true also that their vote be entitled if S. 36 of the Mysore Regn. is interpreted to mean that a numerical majority of devotees or pseudo-devotees can change the character of Service or class of Archaks officiating worship.

It seems true that S. 36 should be very strictly interpreted and that the power given should be very sparingly exercised and only in the case of Archaks who by their personal conduct and association have rendered themselves unfit to officiate in the temples in question. If this is the interpretation that should be put upon the section it is unnecessary ~~to~~ to call for further information as to whether the present signatories form 3/4 majority. It may be mentioned that the calculation of this majority will not be an easy matter as a decision as to who is or is not a devotee will have the

Sir,

Adverting to your official memorandum No.3061/Muz 605-15-2 dated the 26th June 1916 forwarding for report petition of Shanbhog Narnappa and other residents of twelve villages in the Kadur Taluk praying that the Mari Kurubar Pujaris of -- Karehalli Amma's temple in Karehalli village may be removed from Pujariship on payment of suitable compensation, I have the honour to submit herewith the entire correspondence ending with the Kadur Sub Divisional Assistant Commissioner's Yadi No.1504 dated the 8th June 1917 bearing on the subject and to state as follows:

1. It will be seen from the statement of the petitioners dated 16th March 1917 that the present Pujaris(Marikurubars) of the temple are born of a low caste and that their ways of worship are not agreeable to the devotees of the 12 villages in question. The usual Sevas and the annual car festival to the deity have not been performed for the last 2 or 3 years and as a result of which the petitioners complain that they have been put to much hardship and loss. They further state that if the pujaris are allowed to continue to worship the deity they decline to enter into the temple and offer their services to the Goddess. To avoid all these difficulties they have agreed to pay Rs.240/- as compensation to the pujaris provided they are removed from pujariship. They also state that the "UTSAVAMURTHI" was got prepared by their ancestors.

2. On the otherhand the present pujariss Mayaga and Thimma have deposed before the Amildar of the Kadur Taluk to the effect that the deity is their family Goddess and that they do not agree to part with the puja whatever be the amount of compensation that may be offered to them .

3. Since there are no specific charges brought against the present Marikurubar pujaries so as to disqualify them from conducting worship to the Goddess except that they are of a low caste by birth, I do not think it desirable to deprive them from their Pujariship. Besides there are factions among the devotees, I am of opinion that if the Marikurubar pujaries are removed from their pujariship on payment of suitable compensation as requested by the petitioners such a course will tend to embitter the feelings of these partisans and bring about endless disputes of the kind every now and then.

4. In these circumstances, I agree with the opinion of the Sub Divisional Officer, Tarikere Revenue ~~Revenue~~ Sub -- Division that the decision passed by Government in their order No.272/Mus.35-13-6 dated 29th July 1914 in the matter should be fully given effect to, by taking steps to have the "UTSAVA MURTHI" &c., of the Karehalli Amma's temple restored from the petitioners to the Marikurubar pujaries, who may be allowed to continue to exercise their right of worship unmolested.

I have the honour to be,

Sir,

Your most obedient servant,
